

App. No. 10/706,281

In the Drawings:

Replacement Drawings are attached.

App. No. 10/706,281

REMARKS - General

Applicants have redone all of the drawings as to overcome the technical rejections and define the invention patentably over the prior art.

Conclusion

For all of the above reasons, applicant submits that the specification and claims are now in proper form, and that the claims all define patentably over prior art. Therefore the applicant submits that this application is now in condition for allowance, which action is respectfully solicited.

Respectfully submitted,
